

## **STUDYBUGS APP – part of our registration process**

For registration please download our Studybugs app where you will need to send us a message about your child's absence.

It's simple to use and also offers NHS advice for certain symptoms so you know what to do.

You can send a message the day before or first thing in the morning to save having to ring or wait till the Office is open at 8:15am.

***Please get the free Studybugs app, or register on the Studybugs website, and use it to tell us whenever your child's ill or unable to attend school.***

**Get the app or register now: <https://studybugs.com/about/parents>**

Thanks
