

Quiz in a Box!?

This year, APF need to raise significant additional funds to continue and grow our vitally important work with pastors across Africa.

You can help and have fun at the same time by hosting a quiz night in aid of APF!

It could be an in-person event in your church hall or community centre, held online on Zoom or even a small group gathering in your home.

All you need to do is choose a date, fix a venue (if you are holding an in-person event), invite your friends, family, church, and neighbours, and then run the quiz during the evening.

As soon as you let us know what you're planning, we'll send you a pack in the post containing:

- Full quiz (answers included!)
- Two short video clip to play during the evening (an introduction video from Dave Stedman and another video introducing [eVitabu](#))
- Information leaflets about APF to give to your guests

If you are interested in holding an APF quiz, or have any questions about helping APF with fundraising, please email James Baker (Fundraising Coordinator) at james@africanpastors.org.

We do really hope that you can join us in this exciting venture.

Thank you so much for your continued support and interest in our work,

Revd Dave Stedman
