

***INTRODUCING OUR NEW  
PIONEERING YOUTH WORKER  
JOE MORRIS***

We are excited to announce that Joe Morris is joining us in September in the new, and exciting role of Pioneering youth worker.

Joe is an experienced youth worker who has been working in the city for the past five years with a local church. He has a massive heart for the city and is passionate about sharing his faith with young people.

Please pray for Joe as he steps into this role and that God will open new and exciting opportunities to see young people's lives changed by Jesus in Coventry.

Thank you for your ongoing prayers.

Jo
