

Event hosted by Heritage Healthcare Windsor: “Understanding Care” on the Mother’s Union at All Saints Hall, Alexander Road, Windsor, SL4 1HU

Date: 13th of June 2024

Event Highlights:

Heritage Healthcare Windsor recently hosted an informative session on care needs, aimed at equipping attendees with crucial knowledge for selecting appropriate care for their family members. The event delved into various subjects, including:

- **Care Packages:** A comprehensive guide to the different care options available.
- **Entitlements:** Details on equipment that may be provided at no cost.
- **Best Practices:** Tips for preventing falls and managing dementia care.

In addition, Heritage Healthcare announced a free event to be held on Sunday, June 30th: the Virtual Dementia Tour at St. Joseph’s Parish Church in Maidenhead, SL6 7EG. This experience is designed to enhance empathy and understanding of the complexities involved in caring for individuals with dementia.

The talk was well-received, with attendees appreciating the Heritage Team’s insights. The event fostered a warm and engaging environment, where participants enjoyed refreshments while discussing about their individual care-related queries.
