

What a term! We are tremendously proud of all the children who have worked so hard over the past few weeks – especially all those taking SATS and other tests. Congratulations to our Swimming Team who won the Farlingaye Pyramid Swimming Gala – not bad for a school of 105 pupils!

At the end of May, Years 5 and 6 travelled to London to visit the Tower of London, take in the sights such as Tower bridge, the London Eye, Big Ben, the Houses of Parliament, Westminster Abbey, 10 Downing Street and Trafalgar Square and watch The Lion King.

Yesterday Year 1 and 2 also enjoyed a day out – a trip to Felixstowe to support their geography topic, Seaside.

On 26th May Miss Fairweather, our Headteacher, and Mrs Dobing, our Director of Music set off to run the length of Hadrians Wall – 86 miles. The aim was to raise awareness of importance and power of music in primary schools and to raise money for the charity they have established, Morabe, which teaches children music in rural primary schools. The teachers had lots of coverage on Look East and BBC Radio Suffolk and even prompted a debate on Politics East. They completed their challenge in 4 days with Mrs Dobing dress as a violin the whole way!

Back in school the children did a sponsored walk notching up 172 miles between them. They were also dressed as musical instruments and raised hundreds of pounds to support our cause.
