

News from Nacton Church of England Primary School

Summer Term 2021

Leopards Class (Year 3 and 4) have been busy designing and making their own kites in their DT lessons this term. They had to wait several weeks for the perfect weather conditions, finally we had a windy day and the children had a huge amount of fun testing their kites.

Tigers and Lions Class (Reception, Year 1 and Year 2) had a brilliant afternoon enjoying a traditional 'Punch and Judy' show. This was linked to their beach topic. They also enjoyed going to Nacton shores with the buckets and spades.

Sadly, we've not been able to involve parents and carers in school life as much as usual this year. However, we have been able to welcome them in for a 'Reading Picnic' to celebrate the end of the year, the better weather and of course a love for reading and stories.

On Friday 9th July we celebrated England getting into the finals of the Euros by coming into school in red and white or in football kit. The children also made bunting to decorate the school. It was a great day, with some extra football based activities too.
