

New Christmas Traditions at Mellis CE Primary!

Mellis School loves a new Christmas tradition, and we have had a super opportunity to start a new one with the youngest members of the School!

One of our mothers hails from Germany, and there the 6th December – 'NikolausTag' or St Nicholas' Day is a rather big day for young children! According to German Tradition, St Nicholas of Myra – patron saint of children brings gifts to well behaved children!

One aspect of this German tradition is the hiding of oranges in shoes and boots for the children to find – so that is exactly what we did! Much excitement had by all, and a super addition to our roster of Christmas traditions!
