

Nacton C of E Primary School

Year 6 pupils at Nacton C of E Primary School have been working with Bucklesham Primary School on a workshop run by Red Rose Chain. The local theatre group come in every year and do some work around their Christmas show, which this year is Treasure Island, before pupils from both schools attend a performance the following week. This enables the pupils to get to know each other before high school as part of a transition project.

Jo Kidby (Headteacher)
