PRIMARY SCHOOL**

Let your light shine - MATTHEW 5:16

Colour Run

Inspired by the Hindu festival of Holi, the celebration of colour, love and Spring, the Sproughton School Association (PTA) organised a colour run for Sproughton C of E Primary School children and their families.

The colour run was the 'excellent ending' of Autism Acceptance Week and the children learning about and celebrating neurodiversity. During the week, a working party of eight pupils lead a research project into Autism Spectrum Disorder (ASD), then created and performed an informative assembly for the whole school to enjoy.

Pupils were sponsored to take part in the colour run and raised a total of £1285 towards our new playground project.

We are very grateful to our wonderful PTA for making this happen.
