

Although we have spent most of the term learning remotely at home, it has not stopped us having many exciting learning experiences.

Year 4 made cakes inspired by a book. These delicious creations were inspired by the Bewilderwood series.

Year 3 learned about animals in the environment. This wonderful bird table was designed and made by one of our pupils and his dad.

In Foundation Stage, the children learned about people that help us. The children found interesting ways to label a police uniform.

We are all delighted to now be back in school together. Early Years children have been enjoying returning to Forest School learning.

A Year 6 portrait inspired by Picasso

Our Easter Garden

*'Love your neighbour as you love yourself.'*
